

End of Term Newsletter

A termly update brought to you by Warwickshire Early Years Hub

10.12.2021

The Hub will be running limited hours over the Christmas break, however you will still be able to book online, and we will do our best to answer any queries you have.

Thinking of you all and please don't hesitate to get in touch if there is something you think we can help you with.

Wishing you a very Merry Christmas and a restful break

Nicci, Michelle, Sarah & Lindsey

Safeguarding Training

The Newly Appointed DSL, the DSL update and the New to Safeguarding courses are all being held over Microsoft Teams and will continue to be held online next term. Don't forget to make sure you complete your evaluations so certificates can be sent out before the end of Term

Managers Meetings

Thank you to all who attended, the Managers Meetings will be back in February. Managers Meetings are a chance for all Managers, Practitioners and Childminders working in the Early Years to receive updates and useful information on practice, policy and procedures in the Early Years. They are a really worthwhile opportunity to hear the most current Local Authority information on Safeguarding, funding and Ofsted key messages. They provide a valuable forum for sharing best practice as well as improving access to support and guidance to enable you to offer the best Early Years provision possible. This meeting is provided free of charge and will be held virtually in order to enable access for all. We look forward to welcoming you

Aspiration Networks

These free networks are open to all EY practitioners and aim to promote workforce development and quality improvement. They give EY practitioners an opportunity to share best practice, establish vital networking links and benefit from peer to peer collaboration. For more information and to find out your network lead, please click on this link <https://www.warwickshireearlyyears.co.uk/alliance>

Childminder Network

Childminders, don't forget to join our next Network meeting in February, the speaker next term will be from the charity ERIC. All attendees will receive a 10% discount on Safeguarding training and £5 off a Paediatric first Aid booking.

Primary School Centred Initial Teacher Training with QTS

Are you interested in training to teach locally?

Warwickshire Early Years Hub are working in collaboration with the Centre for Research in Early Childhood (CREC) to provide a one-year, full-time early years school based route to qualification as an EYs or Primary Teacher with QTS. The course is carefully structured to combine high-quality centre-based training from highly experienced EY teacher educators, with action research based assignments and three extended periods of continuous, directed school experience (EY and KS1).

If you feel passionate about working with young children, then this course is ideal for you. It will qualify you to teach across EY and the primary phase and equip you with the skills to work with children through their most crucial stages of development.

For further information please contact us directly or follow the link below:

<https://www.find-postgraduate-teacher-training.service.gov.uk/course/2KO/3B3B>

Look out for further information on our SCITT drop-in events in the spring term

Bespoke training

We design and deliver bespoke training, support and advice to schools and early years settings. We provide a unique service meeting identified needs in quality improvement and developing positive outcomes for children and families.

Our service is unique to you, which means we will be flexible in our approach. This could involve schools/settings, a group of Childminders joining together to share the cost of training, it could be delivering full and half day training sessions, it could be one to one sessions, it could be attending staff meetings or sessions delivered at weekends and evenings. Our support can be as short as a one-off meeting or could be a succession of training and support sessions.

If you are looking for training that supports your Ofsted actions contact admin.vey@welearn365.com and we may be able to tailor a training package specifically for you. These are a few of the options we may be able to offer:

[Getting ready for Ofsted](#), [The Characteristics of Effective Learning](#), [Active Maths](#), [Developing Vocabulary](#), [Objective led planning](#), [Management Development Support](#)

Don't forget to follow us on Facebook @warwickshireearlyyears, Twitter @WarwickshireY and subscribe to our website for training date updates
